

TRIPS FOR THE 2016-2017 SESSION

The Ozark Community Center  
1530 W Jackson  
Ozark, MO 65721

## **What is OTRA?**

OTRA or "On The Road Again" is a road trip program for adults 55 years and older.

Starting in September and going through April we offer day trips to surrounding areas at a reasonable, budget friendly price.

## **What will it cost me?**

The prices per trip vary depending on where we go.

This past season our trips ranged from \$10/person to \$45/person for a day trip.

Prices will not usually include meal.

If they do it will be noted.

## **What if I have to cancel?**

If tickets have not been purchased, a request can be made to put the money back onto your account for future trips or anything else you would like to do at The OC. If the tickets have already been paid for, an attempt will be made to find someone from the waiting list to take your place. If this can be done, then the money will be put on your account. If we cannot find someone to take your spot, we will not be able to offer you a refund.

## **What if The OC cancels?**

Reasons The OC would have to cancel are weather or lack of interest. If this is the case, then the money will be put on your account to use for future trips or activities at The OC, or refunded. If paid by credit card it would refund within 24hrs. If paid by cash, refund could take 2-4 weeks.

## **When can I sign up**

Each trip is filled on a first come first serve basis. Due to our limited availability and in order to keep it fair, I am the only one that can register you. This way I can time stamp any written messages left, voice mails left or emails sent. On each flier you will see an open registration date and a registration closes date. You can call or email me anytime between these two dates.

~The maximum number of guests for the Sept, Oct, Jan, Feb, March & April trips is 23.

~The minimum number of guests to make a trip possible is 15.

~If the interest for the November & December trips is enough to warrant it we have the availability to use one of The OC's school buses and can take up to 40 passengers.
