**Recreation Pool & Water Features:** The recreation pool is open at all times, unless noted as, "no open swim." During swim lessons and water aerobics, the recreation pool will be open, but the water features (slide, water spouts, etc) will be turned off.

**Inclement Weather Policy & Lightning:** When Ozark schools are cancelled or there is an early release for inclement weather, all fitness classes, water aerobics, and swim lessons are cancelled. In the event of a late start for inclement weather, all morning classes are cancelled, but we will have all PM classes. For Saturday lessons, we will decide if we will cancel swim lessons by 7AM, at which time you may call the OC. If we cancel lessons for weather, you will receive a voucher for a future lesson equal to the amount of the missed lesson. In the event of lightning, the pool will remain open, but the slide will be closed.

**Lap Lane Availability:** At least two lap lanes will remain available during each time designated as "lap swim." The number of designated lap lanes will fluctuate from 2-4 with changes in pool use such as private swim lessons, birthday parties, school days out, and peak family swim hours. Please share lanes when necessary. If designated as "limited lap swim" the number of lanes available will be dependant on the event scheduled at that time.
