Address	City	State	ZIP
<i>In accordance with the Department of Natural Resource's policy for sewer extensions, we certify that:</i>			
<b>4.0 Estimated Flow and BOD to be Contributed by This Project</b>			
4.1 Average Daily Flow (GPD):	4.2 Peak Flow (GPD):	4.3 Average Daily BOD (#/day):	
<b>5.0 Wastewater Treatment Facility Design Capacity</b>			
5.1 WWTF Design Flow Capacity in gallons per day (GPD):	5.2 WWTF Design BOD Capacity in pounds per day (#):		
5.3 Existing Average Daily Flow (GPD):	5.4 Existing Average Daily BOD (#/day):		
5.5 Remaining Average Daily Flow Capacity (GPD):	5.6 Remaining Average Daily BOD Capacity (#/day):		
<b>6.0 Collection System Capacity Information</b>			
Note: Please evaluate any applicable lift stations when estimating collection system capacities and note lift station information below.			
6.1 Average Daily Flow Capacity (GPD):	6.2 Peak Flow Capacity (GPD):		
6.3 Remaining Average Daily Flow Capacity (GPD):	6.4 Remaining Peak Flow Capacity (GPD):		
6.6 Notes on Lift Stations:			
<b>7.0 Approval</b>			
As continuing authority on the above proposed sewer line extension, we hereby approve the routing and design and agree to operate and maintain this extension when completed or within one (1) year thereafter.			
Approved by: (Name & Title, Print)
