Trash Service:

The City of Ozark does not provide trash services directly to its citizens. The City is not an exclusive trash hauler city, which means you can set up trash services with the company of your choosing. However, the City has partnered with Republic Services (previously Allied Waste) to provide convenience and a lower rate for citizens. Through this partnership, the City bills your trash service so that you receive only one bill for your utilities. Keep in mind that the city is only responsible for processing payments and not for pickup or services related to trash collection. Ozark's Trash Service is provided by Republic Services 417-268-1265

Please select the type of Trash Service:

☐ Trash Cart - \$14.60 ☐ Recycling Cart - \$5.44 ☐ Additional Trash Cart - \$5.72 ☐ opt out of trash service

Other Costs:

- Cart delivery fee: \$21 each
- Cart removal fee: \$21 each
